SCHEDULING NOTES:

1. Visits are two hours in length, with 30 minutes allotted between schools and 30 minutes for lunch. The last visit of the day should end no later than 3:30 p.m.
2. The first school of the following day is responsible for locating housing for both officers for the evening. To keep costs to a minimum, arranging night housing is critical. Homes are preferable to hotels, since the officers get plenty of hotel time during the year. Please let your host families know that entertaining the officers is not absolutely necessary. No doubt, they will be friendly and visit with host family members, but many times they just need a good night's rest. The traveling team may need for you to locate weekend housing as well. Home cooked meals are always appreciated by the officers.
3. Scheduling evening activities is acceptable, but please do not overload the week with them. (As a general rule, no more than two.)
4. To ensure uniformity of information, please use and submit this form. This will help us avoid scheduling conflicts.
5. Please make sure that scheduled schools are notified and prepared to utilize the officer traveling team appropriately. Neither the state officer nor the officers will preempt this schedule without notifying the area travel coordinator. Every effort will be made to avoid doing this.
